WIDENER'S YOUNG HORSES

IMPORTATIONS FROM FRANCE AND ENGLAND SEEM A BRILLIANT BAND.

L'Infirmiere, a Bay Filly by Ajax—Golden Key Considered the Pick of the Band at Present—Daughter of Orby Is Also Attractive.

New York, March 26.—The World's turf critic thinks the two-year-olds in Joseph E. Widener's stable at Belmont Park will cut a wide swath in the turf pasture this season. In their veins runs some of the best blood of the English and French turf.

L'Infirmiere, a bay filly by Ajax—Golden Key, is perhaps the handsomest of the band. She is a strapping, big-boned filly with racy blood-like lines. Incidentally, she was Edmond Blanc's pick in the band that Mr. Widener bought from that noted breeder. The saying of "handsome is as handsome does" is not amiss in her case, for she has shown particularly well in her trials.

Another attractive one is Saskia, a rich chestnut filly by Richard Crocker's Derby winner Orby—St. Flora, the dam of the English sire Lonawand. Saskia is not so big as L'Infirmiere, but her racing outlines are just as fine and she has plenty of muscular development to back them up. She will be one of the first of the get of Orby to be seen under silks in this country.

Alaric II., a bay colt by Verwood—Porte Maillot, is a particularly handsome fellow, sturdy and well turned. Welsh says he has the longest forearm he has even seen on a horse. Visitors to the Widener barn at Belmont Park say that he bears a striking resemblance to Blues when he was a two-year-old.

Trompe la Morte is an impressive looking youngster which is trying hard to live down his name. He is a dark chestnut colt by Verwood—Marsa. His dam was one of the first of the get of the great French sire Adam, and she made quite a name for herself on the French turf, where she met and beat the best as a two-year-old and three-year-old.

Death Trumpet, to translate his name, is of good size with plenty of bone and substance, strong shoulders and fine quarters. There is no lack of quality about him, so far as is possible to judge.

Some Promising Home-Breds Also.

The best of the home-bred two-year-olds is an unnamed filly by Garry Herrmann—Miss Lexington. She is bred in purple on the distaff side of the house, for Miss Lexington is by Hastings—Lady Languish, she by St. Simon—Lady Reel, the dam of Hamburg.

Seafarer is a strapping chestnut colt by Rabelaise—Ocean Bound, and reminds one not a little of his dam, which carried the silks of Woodford Clay to victory in many stakes, before she was shipped abroad when the blight fell on racing here.

Tufter is a rather plain brown colt by Macdonald II.—Rose Pompom. Welsh says he bought him more because of his dam than his looks, for Rose Pompom is by Rock Sand—Martha Gorman, and was a sterling race mare. He hopes that blood will tell.

Another one in the veins of which runs the blood royal of the European turf is Juspu' au Bout, a brown colt by Ajax—Roquette, she by Sainfoin—Roquebrune and consequently a sister to Rock Sand.

L'Independante is a finely-turned bay filly by Ajax—Halina, and is a sister to Highly, which raced with more than usual success in France some years ago. La Bayonette is a compact, close coupled bay filly by Verwood—Rondeau and a half-sister to the French star Teddy.

Clef de Fer, a bay filly by Verwood—Clef d' Or, is a rather ordinary looking daughter of a good race mare. She is on the small side and Welsh has been going slowly with her since she came to Belmont Park. Another one which time may do much to improve is Corps-a-Corps, a bay colt by Verwood—Bratina. He is a fair sort of youngster, but a little too long in the pastern to suit his trainer.

L'Infirmier is a dark bay colt by Verwood—Zahra, she by Flying Fox. While he has good lines and has shown much promise, he is not nearly so much of a race horse as his stable mate, L'Infirmiere, with which he will be confused for a while this year. Sans Merci is an attractive dark brown colt by Black Sand—Poupee.

The other two-year-olds are Memories, a bay filly by Rabelais—Wall flower; Albrune, a bay filly by Alcantara II.—Face-a-Main; Cattelya, a bay filly by Sundridge—Sainte Addresse II., and the home-breds, a bay gelding by Garry Herrmann—Ethel Pace, a brother to Alfred Noble, a starter in the Grand National, and a brown gelding by Garry Herrmann—Miss C.

HUNTING CLUB PLANS TO EXPAND MEETING.

Three Days Instead of Two Asked For By the Rose Tree Fox Club of Media, Pa.

The members of the Rose Tree Fox Hunting Club, whose kennels are at Media, Pa., have arranged to broaden out materially in their arrangement for next autumn. They have asked the Hunts Committee of the National Steeplechase Association for a sanction for three days, in place of two, and there will be a material increase in the value of the purses both for the flat performers and the jumpers. Present arrangements call for dates to fit in with the meetings that J. E. Widener will give at Elkins Park; George D. Widener at Erdenheim; W. J. Clothier at Phoenixville, and Mr. Du Pont over his estate at Wilmington. In all it should mean eight or nine days of really first-class racing for Philadelphia and the vicinity. Frank J. Bryan, secretary of the Hunts Committee, will have general supervision of the details of the meetings and has already outlined a schedule which will bring many new features into this class of racing.

CONSIDERATION THAT IS MISPLACED.

It took M. Newton ten minutes to start the Ballarat Cup. Afterwards Mr. O'Day, whose horse Positus (the winner), was bad at the barrier, complimented Mr. Newton on his patience. This is the owner of a "bad actor's" way of looking at it—the well-behaved horses should be kept at the post ten minutes for the sake of the bad brute. Fortunately, most starters do not adopt this view. However, several starters we know spoil their starts by devoting their whole time to getting the bad ones off.—Melbourne Argus.

With the issue of Monday, March 26, Daily Racing Form will be published but six days each week. The chart of the closing day at Tijuana, Sunday, April 1, will be printed Tuesday, April 3, in both the Eastern and Western Editions of this newspaper.

WHITNEY'S STRONGEST STABLE AT BOWIE.

String Under Management of Albert Simons Being Prepared for the Meeting.

Baltimore, Md., March 26.—Harry Payne Whitney of New York will send the strongest stable of race horses that have trained at Benning to Bowie this week, to be sharpened up for the Southern Maryland Agricultural Association's spring meeting. For years past the second string of the Whitney establishment, the string that races under the management of Albert Simons in Maryland in April and May and makes the Canadian circuit in summer, has wintered at Norfolk. But the Jamestown Jockey Club's old track has been cut up into town lots in the last year, and Simons was forced to shift his quarters to Benning.

There are fifteen two-year-olds in the Simons end of the Whitney establishment, one three-year-old and two veterans, all of them home-bred except the four-year-old Clapperbill. Simons has been busy with these runners all winter in fair weather and foul, and it is generally conceded by the Washington trainers that they are as fit as any that will go from Benning to Bowie. Simons will ship to Prince George's Park Wednesday and will take Robinson, the best jockey developed on the Canadian circuit last year with him. Robinson showed considerable skill in Maryland last fall, his only noticeable fault being his sluggishness at the starting gate, and Simons believes he can correct that. He will ride throughout the season for Mr. Whitney.

Here is a complete roster of the Whitney string at Benning:

Bromo, b. g, 4, by Broomstick—Leayonara.
Clapperbill, ch. g, 4, by Thrush—Azores.
Bonnie Witch, b. f, 3, by Broomstick—Bonnie Star.
Atom, ch. f, 2, by Whisk Broom II.—Iota.
Croydon, ch. g, 2, by Hamburg—Sylvan.
Elysian, b. c, 2, by Macdonald—Paradise.
Golden Glow, b. c, 2, by All Gold—Rain Daisy.
Johren, b. c, 2, by Spearmint—Mineola.
Ku Klux, b. g, 2, by Broomstick—Valkyrie.
Matinee Idol, b. g, 2, by All Gold—Matinee.
Money Mart, ch. f, 2, by All Gold—Martha II.
Payment, ch. f, 2, by All Gold—Sallie of Navarre.
Roxboro II., br. g, 2, by Rock Sand—Lady Hamburg.
Ruth Law, ch. f, 2, by Broomstick—First Flight.
Speedster, ch. g, 2, by Hamburg—Greyhound.
Sunny Hill, b. g, 2, by Lemberg—Leisure.
Tippity Witchet, b. g, 2, by Broomstick—Lady Frivoles.
Treasure Trove, ch. f, 2, by All Gold—Belle of Troy.

Bromo Ready for Bowie Inaugural.

Bromo, a first-rate two-year-old a couple of years back, is a brother of the sprinter Leochares. He was laid up last year with a bad leg, which is giving him no trouble this spring. He and Bonnie Witch, a stake winner at Aqueduct last July, and a filly of remarkable speed, will be the Whitney starters in the Bowie Inaugural on April 2. Clapperbill, one of the biggest horses in the country—standing 17 hands on his plates and weighing nearly 1,200 pounds—may not be ready until late in the Bowie meeting.

The two-year-olds are a brilliantly-bred and well-connected band. Money Mart is a half-sister of Artful, the greatest mare the American turf has developed in twenty years; Treasure Trove is a half-sister of Fair Helen and many another winner, and Payment is a half-sister of Salvidere, the greatest American two-year-old of 1906.

Matinee Idol is foaled by a half-sister of Whisk Broom II.; and Sunny Hill, whose British sire Lemberg won the Epsom Derby in 1910, is a half-sister of Royal Tourist and Holiday. Speedster is a brother of Master McGrath, another stake winner at Aqueduct last summer; and Golden Glow's dam Rain Daisy, is a sister of Jersey Lightning, the dam of Thunderer, Regret and Barnegat. Corydon's half-brother Syosset II., won the Whitney Memorial Steeplechase at Piping Rock last spring, and Roxboro II.'s half-brother Chicle won last year's renewal of the Brooklyn Derby.

H. W. M., Cincinnati, O. A layer can make any limit he chooses and a backer can win no more, but is entitled to the benefit of track prices up to the limit. In the case named it would be 20 to 1.

CURRENT NOTES OF THE TURF.

R. L. Ahles, a patron of the hunt club meetings, has bought Little Nearer, b. g, 8, by Golden Maxim—Leonalla, from C. H. Robbins.

The attitude of the Thoroughbred Horse Association at Hot Springs, before it withdrew its demands for larger purses, is being almost universally condemned by turf critics who have commented on the incident.

At the Pinehurst Jockey Club meeting Saturday at Pinehurst, N. C., the feature race at one mile and a quarter was won by Little Horn, ridden by Nat Hurd, defeating Garth of the Meadowbrook stables and ridden by Rodman Wanamaker, by a length.

INTEREST IN HAVRE DE GRACE STAKES.

Centers Mainly in First Two-Year-Old Event to Be Run in the East This Year.

Baltimore, Md., March 26.—The first stake races to be decided in the east this year will be those offered by the Harford Agricultural and Breeders' Association to be run at its spring meeting at Havre de Grace, immediately following the close of the twelve days' racing at Bowie. These stakes are eight in number and closed on February 15, filling exceptionally well considering the early running of the races. The Harford Handicap received fifty-seven nominations and the Philadelphia fifty-three, while the stakes with selling conditions, such as the Susquehanna, Penn, Chester and Wilmington, have over fifty entries, with the exception of the last-named in which only forty-seven were named. The Aberdeen for two-year-olds attracted the largest number of all, sixty-three youngsters being named. The Perryville, another stake for two-year-olds received fifty-seven nominations.

Considerable interest attaches to these two juvenile stakes, as they will be the first two-year-old fixtures to be decided in the east and will afford a good line on what we may expect in the younger division. Quite a few of the most important stables have entered one or more of their promising young racers. In the Aberdeen H. P. Whitney has named nine choicely-bred youngsters, among which is a filly by his renowned young stallion Whisk Broom II. R. T. Wilson is represented by three, two colts and a filly. Grant Hugh Browne has named five of his imported juveniles.

The conditions and entries for the Aberdeen Stakes are as follows:

The Aberdeen Stakes for two-year-olds. By subscription of $10 each. Starters to pay $15 additional, with $1,000 added, of which $200 to the second and $100 to the third. Non-winners of $1,200 allowed three pounds; of $800 or three races of any value, six pounds; of $600 or two races of any value, nine pounds; maidens twelve pounds. Distance four and a half furlongs.

MANY UPSETS AT OAKLAWN

FAVORITES PROVE DECEITFUL AND OUTSIDERS CARRY AWAY THE SPOILS.

Speedy Marie Miller Is an Exception and Runs a Fast Race—Rose Juliette in Second Place Again—Gossip of the Course.

Hot Springs, Ark., March 26.—Exquisite weather was again on tap in these parts and it resulted in bringing to the track another immense attendance to witness the decision of six races. The outstanding feature was a handicap at five and a half furlongs, which brought out six good sprinters and furnished a victory for H. S. Newman's good three-year-old filly Marie Miller, with Cane Run leading the others in second place and David Craig just getting up under hard urging to beat Prince of Como. The winner made the fastest time for five and a half furlongs of the meeting when she covered the distance in 1:06⅘. This is within one-fifth of a second of the mark made by The Bear, the track record holder.

The hard drubbing that some of the layers experienced last Saturday caused a thinning in their ranks, only thirty-three being in line this afternoon. The speculation continued of large proportions.

The racing was interesting in the main, though ordinary fields contested in most of the dashes.

Violet was given the call in the opener, but the best she could do was to land second place.

Ben Hampson was an overwhelming choice in the second, but he failed to race to a place, Wat winning as his rider pleased, after suffering from some of the considerable interference that occurred in the race.

Uncle Jimmie was given most consideration in the third, but he was a distant follower at the windup, Moller winning easily. Rose Juliette was the preferred one in the fifth race, but Tactless was in a running mood this afternoon and, heading the others on the stretch turn, won comfortably.

Johnson & Billings Horses Go to Louisville April 10.

The Johnson & Billings division of racers here in charge of C. T. Patterson, are destined for shipment to Louisville, April 10.

Those racers here owned by W. R. Coe and in charge of Jerry Carroll, will be shipped to Lexington.

J. M. Booker's horses will be shipped to Bowie next Friday.

The program book for Essex Park has been distributed to owners here. It shows a variety of races at different distances, with purses ranging from $400 to $750, the latter sum being added to the handicaps.

Starter Dade will depart from here Thursday night and spend the following day in St. Louis, arriving at Baltimore Sunday, ready to assume his duties at Bowie the next day.

Judge Nelson will leave here immediately after the close and spend one day in Chicago, before going on to his home in Toronto.

Jockeys Scoville and Schilling were each suspended for the remainder of the meeting by starter Dade, for disobedience at the post.

John Powers will leave for Bowie shortly, where he will take up the horses Harry Shaw and Portlight, which have been wintering in Maryland.

J. O. Talbott's horses will be shipped to Maryland April 2.

AIM AT REASONABLE LICENSE FEE.

Bill Introduced in Kentucky Legislature to Lower Stallion Fee in the State.

Lexington, Ky., March 26.—Representative W. C. G. Hobbs, of Lexington, this morning introduced in the house of the general assembly at Frankfort a bill intended to secure a more reasonable license fee for blooded stallions and to procure their registration with the State Commissioner of Agriculture, Labor and Statistics.

The bill was drawn by Representative Hobbs at the request of the Thoroughbred Horse Association and has the backing of other bloodstock organizations, together with the Commissioner of Agriculture. Heretofore the fee for stallion license has been a sum equal to the amount charged for one season to the stallion. This, it was found, caused stallion owners to hold their stallions private or to make contracts with owners of mares to take their foals at a stipulated sum at weaning time in order to avoid payment of a tax they thought exorbitant. The result was that the state lost revenue and the mare owners the advantage of the blood of the better sires.

The state again was the loser in the quality of its general purpose horses and likewise increased revenue from the better class of horse property. The bill fixes the license at twenty per cent of one service fee per annum.

Training operations at the Kentucky Association track were resumed this morning with warm weather and fair track. There was nothing out of the ordinary in any of the work-outs. Two-year-olds moved along a quarter in 26 and three-eighths in 39. Older horses worked halves from 54 to 55.

CLOSE AND FAST RACING AT TIJUANA.

Camellia Runs Mile in 1:39⅕ to Win Kensington Park Handicap from Speedy Opposition.

Tijuana, Mex., March 26.—Camellia ran a good mile to win the Kensington Park Handicap here today. The mare was saved from much interference during the early running, set a fast pace, and won by a comfortable margin, running the mile in 1:39⅕. Leah Cochran finished a good second, with Bigtodo in third place.

Close and hard-fought finishes marked the first three races of the afternoon. In the opener, Nezib came from a long way back, wore Felicitor, the pacemaker, down, and fought it out with Precision, outstaying him in the last few strides. Dot H. won the second, overtaking the heavily-backed Brownstone in the stretch and ougamed him in the final drive. The third went to Auntie Curl in another close and exciting finish.

C. H. James claimed Kenneth, while Felicitor was claimed by the Salvado Stable.

BELATED ENTRIES IN TWO BIG STAKES.

Nominations to the Douglas Memorial Handicap Insures a Good Race.

Louisville, Ky., March 26.—A belated entry for the Kentucky Handicap is that of Friendless, b. c, 3, by Superman—Luckless.

The entry of Friendless was in the mails from Cuba, but did not arrive when the original list of entries for Douglas Park was given out. While there are some slight discrepancies in the total number of entries to the various stakes to be run here and at Latonia, due to the fact that in some cases owners as well as trainers entered the same horse, being in different parts of the country, and knowing that in case of duplication they would receive the fees back, the lists hold up considerably higher than in 1916 in most cases.

Another late entry in the Latonia Derby, due to delay in the mails, was that of Sol Gilsey, a three-year-old bay colt by Plaudit, winner of the 1898 Kentucky Derby. Last year Sol Gilsey displayed a liking for a considerable route of ground, and will be prepared for the mile and a half fixture at Latonia.

These two additional entries make a total of sixty-one in the handicap and the same number for the Derby, both of which will have $10,000 added.

Following are the entries announced for the Memorial Handicap at Douglas Park:

The Memorial Handicap, $2,000 added. For three-year-olds and upward. By subscription of $15 each; $50 additional to start; $2,000 added, of which $400 to second, $200 to third, fourth to save its stake. Weights three days before the race. Winners after publication of weights, five pounds extra. Acceptances through the entry box the day before the race at the usual time of closing. Three-quarters of a mile:

THIRTY LEADING AMERICAN JOCKEYS.

W. Crump averaged over two winners per day at Oaklawn last week and, in consequence, is credited with the rarely achieved record of thirteen winning mounts in six days. His closest competitor, R. Wingfield, only rode two winners in the same space of time, so Crump is now out by himself with seventeen more victories than any other rider in the list. F. Robinson will resume riding at Bowie next week, but he will find the task of overhauling the leader difficult of accomplishment. A. Collins and A. Johnson each rode four winners in the course of the week and were closest to Crump in that respect. The records of our thirty leading riders are now:

DAMAGE TO HORSE BREEDING IN ONTARIO.

Toronto Globe Editorially Speaks of Injury to Sport by Gambling Element.

Toronto, Ont., March 26.—The Globe says editorially:

"Men who know the horse-breeding industry, and who are engaged in it, declare with great plainness that the whole race track fraternity, as now organized and operating in Ontario, is damage and nothing but damage to horse breeding. Men who love the horse, and who enjoy the sport of horse racing, are strong and insistent that in recent years the gambling element has utterly destroyed the sport. And men who profess to know the inner facts of the jockey clubs affirm that, instead of profits of seven per cent. on their real investments, the actual profits last year far exceeded seven hundred per cent.

"These matters involve questions of fact which cannot be dismissed by any man's general statement or denial. They call for thorough and impartial investigation by a responsible committee of the legislature. If any gambling interest, any club or any individual, opposes such public investigation by a committee of the legislature, and opposes it secretly, the plain inference is justified that the most searching investigation is needed. Such investigation must be demanded, and must be demanded at once.

"Is it true that the race track business in Ontario has become a burden and a curse to the horse-breeding industry?

"Is it true that the race track sport has been turned into a colossal gambling machine, utterly bedeviling to all legitimate sport and absolutely destructive of every principle of morality, and a flat contradiction of every law of sound economics?

"Is it true, as has been publicly alleged, that certain of the jockey clubs have so manipulated their finances as to evade their proportion of the war taxes of Canada? and that certain of these racing clubs last year 'flatly refused' to furnish Provincial Treasurer McGarry statements of their profits, and that without such necessary information Mr. McGarry increased their tax, against their protests, from $500 for each racing day to $1,250? He had been demanding $2,000.

"These are questions which are being asked by informed and resolute men and women in all parts of Ontario. Such questions members of the legislature on both sides are keen to have answered by a committee authorized to investigate the situation and to report on the facts. The facts can be ascertained. Out with them. Race track graft and race track gambling can no longer be done in a corner. Turn on the light."

GENERAL NEWS NOTES OF THE DAY.

"If peace negotiations were begun today," says the Journal de Geneve, which does not reveal the source of its information, but declares it is absolutely reliable, "Germany would offer to restore the territory she occupies in France, except in the mining districts of Briey, in exchange for a channel port—Calais or Dunkirk—and an indemnity of 15,000,000,000 francs ($3,000,000,000). Germany would also offer to restore the territorial integrity and sovereignty of Belgium on condition that Belgium would not be allowed to maintain a national army and that Germany be permitted to garrison Namur, Liege and Antwerp perpetually." It adds Germany must be given control of the Belgian railroads and ports and be favorably treated in an economic treaty. This is not the program of pan-Germans, but the actual terms of the German government.

National Guard forces of sixteen states and the First separate battalion of the District of Columbia, have been summoned by the War Department into service for safeguarding the home interests of the country preparatory to war with Germany, which now seems inevitable. In the order issued by the president, eleven full regiments and three companies and two battalions are included. Policing arsenals, protecting water works and strategic points will be the duties of the militiamen, who have been picked absolutely from the troops who have already had training upon the Mexican border.

Germany has 200 submarines capable of crossing the Atlantic, according to advices which have reached the navy department. Germany has laid down no new capital ships or destroyers since the outbreak of the war, confining new construction entirely to submarines. Battleships and battle cruisers in course of construction at the outbreak of the war August 1, 1914, have been completed, as have destroyers. Aside from this, Germany's naval constructing geniuses have devoted their efforts to turning out large numbers of submarines and to improvements in submersible craft.

An added zest to recruiting, as a result of the call to the colors issued by Secretary of the Navy Daniels in the newspapers of the country, was reported from the recruiting agencies throughout the country, Monday. The attempt to place the personnel of the navy up to the standard from the standpoint of numbers, has, as always was the case when the country faced an emergency, met with success. Monday the recruiting stations had all they could do to handle recruits and a bigger rush was looked for as the days passed.

The Japanese cruiser Azuma has been selected to take home the body of the late American Ambassador to Japan, Mr. Guthrie.
